Hi,

I hope you got the earrings. If you are going to the Mall to change/upgrade the earring. Can you make sure that you bring back the backing of the stud. The one that is one the earring is mine. The ones they had giving me was always slipping out so I replaced it with one of my.

If this sounds confusing let me know. I will explain it better on the phone.

PS: Please tell the person who asked for the cheesecake recipe, I will send it tomorrow. I am going to have to charge a fee (ha ha ha).
